17th MOTO MORINI GATHERING

Our 2026 gathering will take place on June 4th, 5th, 6th and 7th in La Chaise-Dieu, a small town in Auvergne Mountains, 100 km South of Clermont-Ferrand.

The main lines of the event had been launched during our General Assembly last May in Brittany.

You will find attached the entry form.

Our venue this year is in the Domaine de la Tour where we have booked the entire hotel Le Vénéré.

It offers a large restaurant room where we will take our breakfasts and dinners.

There is also a bar, and a large terrace to be appreciated...

On the back there is a large park where could stay bikes, trailers and cars, that place being hidden from the road. But it cannot be used to stay with campers or vans.

For them and for the campers and their tents the way is to stay at Camping des Prades, situated across, the road around 300 yards from the hotel : [+33 471 000 788](tel:+33471000788)

This camp site is very large, well equipped with sanitary, AC sockets and so on.

You can also hire wooden houses, more or less large, which are comfortable but not equipped with toilets and showers.

You need then to use collective facilities, there are several spots on the site.

In addition, we have booked the entire hotel which offers 15 rooms, able to be occupied by, 1, 2, 3 or 4 people.

The club is paying all the rooms reason for which if you like to book one the cost has to be paid to the club at the same time as the other fees.

In such a case you must contact me before to fill the entry form to check what you need exactly, especially if you plan to share the room with another person.

I will check what is available to fulfil your requirements.

As said last May, the place is fantastic plenty of sinuous roads, going up and down, beautiful landscape and good food.

Because of the owner demand, we put an end to the entries window, fixed to end of March. But we strongly suggest doing it much earlier especially if you plan to book a room in the hotel.

As usual you don't need to pay at the time of registration but to do it for the end of April.

A word on entry form : it is self fillable, and the calculation of the fees is automatic.

You just need to fill the fields, save the file and e-mail it to me.

We hope to have given you most of the details you need but feel free to ask any question, you know we will do our best to answer.

Waiting news from your side....
